

## DEKRA – Senior Corporate Strategy Manager

### How your day looks like

This global position can be occupied in Stuttgart (Germany), Arnhem (the Netherlands), Budapest (Hungary) or upon agreement at another DEKRA location.

- You contribute to the development and implementation of a group-wide corporate strategy including business models and the strategic action plan;
- You are involved in the execution of the strategy process and the annual strategy review on top management level;
- You manage international strategic projects with close involvement of the business units and top management;
- You advise business units and functions in strategy development;
- You moderate international workshops, collaborate with internal stakeholders and steer external partners.

### What we expect from you

- University Degree in business, economics;
- Several years of experience in the working area of Strategy;
- Solid Project Management and advisory skills;
- Strong analytical skills and business acumen;
- Outstanding communicator with strong social competences;
- Fluent in Business English; German and other languages are an advantage.

### About DEKRA

Safety meets knowledge and passion - that is why you can also rely on us as an employer and we provide safety in your life. In addition to an attractive salary, comprehensive social benefits and a company passion, we also provide you with the opportunity to work independently and take on responsibility from an early stage. We stand for many and varied career options and invest in your further development.

*Please note: We manage our recruitment and selection entirely in-house. We do not appreciate acquisition by agencies or intermediaries. Submitting candidates without prior consultation and an explicit, written assignment from DEKRA does not establish any rights. Unsolicited profiles will be considered unrequested and will not be processed.*
