

DEKRA – Senior Medical Test Engineer

The role

Join DEKRA and make technology safer.

At DEKRA's *Consumer Safety* division, we ensure that the world's most innovative electronic and medical products are safe, reliable, and compliant with international standards. From electro-medical devices to lab measurement equipment — you'll work hands-on with advanced technology that shapes modern life.

Responsibilities

- **Testing and measuring** products in our high-tech DEKRA labs and at client sites
- **Analyzing results** and writing clear, professional test reports
- **Collaborating** with project managers and technical experts across disciplines

Your profile

- Bachelor's or Master's degree in **Electrical or Electronic Engineering** (or related field)
- At least 5 years of hands-on experience with **testing and measuring electronic equipment**
- Knowledge of **safety standards** (IEC 60601, IEC 61010, etc.)
- Strong communication skills in **English** (Dutch and/or German are a plus)
- Curious, accurate, and flexible — you like to combine lab work with problem-solving

Here is what we offer

- Bonus scheme
- **25 vacation days** and **13 ADV (Additional Days Off)**;
- Travel and remote work allowances;
- Discount on various insurance plans;
- Abundant opportunities for **career growth**, supported by multiple training programs;
- Engage in a challenging role within a cohesive team of proficient experts in a dynamic and international setting.

More about DEKRA

DEKRA is the world's largest non-listed expert organization in testing, inspecting, and certifying according to international safety and sustainability standards. Founded in Germany in 1925, the company's mission was to inspect vehicles to ensure traffic safety. Today, we offer a wide range of services, from product safety testing, audits, and inspections to damage assessment and HSE consulting. We operate in over 60 countries to ensure safety on the road, at home, and in the workplace worldwide. [Explore all our services here.](#)

We have a clear mission: as a leader in testing, certification and inspection, we ensure that products, assets, and technologies are safe, reliable, and sustainable – building trust between people and technology. And you are

welcome to join! [Discover more about DEKRA here.](#)

Questions?

Do you have any questions about this vacancy? Please contact Misha Wittkowski. You can reach him at or by email to recruitment.nl@dekra.com.

Please note: We manage our recruitment and selection entirely in-house. We do not appreciate acquisition by agencies or intermediaries. Submitting candidates without prior consultation and an explicit, written assignment from DEKRA does not establish any rights. Unsolicited profiles will be considered unrequested and will not be processed.
